Venue Description	<p>A teardrop shaped pond with a dam wall at the North end of the lake. Opposite the pagoda area there is a submerged brick retaining wall approximately a metre from the bank and when water levels are low you can sit on top of this but at higher levels you could use a platform although most will manage with just sitting further back on the bank.</p> <p>Popular pegs are next to the overhanging bushes towards the baseball mound, all pegs can produce on the day with the right method.</p>
Dimensions	<p>Approximate dimensions are.</p> <p>340 metres long from North to South</p> <p>40 metres wide at the South end near the community centre at the 1st Peg.</p> <p>70 metres wide at the North end near the end of the Baseball grounds and last pegs.</p>
Depths	<p>The west side has a large reed bed which is shallow in this area. Approximately 2 to 3 feet (0.5 to 0.9m) in the margins.</p> <p>6 to 8 feet (2.1 to 2.4m) in the deepest areas. The deepest areas are in the centre of the lake but shallows down to approximately 4ft at the shallow South end.</p>
Peg access	<p>It is possible to drop your tackle off at the peg some weekends but this may change. Vehicles must be returned to the car park after.</p> <p>However you are advised to take a trolley or barrow just in case</p>
Toilets	Nearest Toilets Glenmore Village approx. 4 minutes' drive
